## Design Sessions

### BLENDER BASICS

Wednesday, September 26, 6:30-8 p.m.

Learn the basics of the 3D graphics software, Blender. Blender is a free, open-source program. Bring your own laptop with Blender installed, or use one provided by the library in this interactive session. Free tickets are distributed from the Hive Service Desk on a first come, first served basis beginning 30 minutes before the class start time.

### INTRO TO EASEL: CARVEY DESIGN

Tuesday, September 18, 6:30-8 p.m.

Learn how to design in the online program, Easel for the Carvey CNC Milling Machine. Attendees should create a free Easel account on Inventables.com prior to attending class. Free tickets are distributed from the Hive Service Desk on a first come, first served basis beginning 30 minutes before the class start time.

### LASER DESIGN TECHNIQUES

Thursday, September 20, 6:30-8 p.m.

We will discuss techniques for photo preparation and other applications for the laser in CorelDraw. Free tickets are distributed from the Hive Service Desk on a first come, first served basis beginning 30 minutes before the class start time.

### CANVA LASER DESIGN

Tuesday, November 20, 5:00-6:00 p.m.

Canva is a free, easy-to-use website you can use to create designs for the Library's laser cutter! In this class, you will learn how to create your own designs for personalized items and gifts. Free tickets are at the Information Desk and handed out 30 minutes prior to class time. Attendees will need to set up a Canva account before attending the class.

**Class is in the Computer Lab for the first portion and moves to the Hive at the end.**

## Creativity Workshops

### HALLOWEEN DIY CANDLES

Wednesday, October 31, 6:30-8 p.m.

Participants will use stamps, tissue paper, and a heat tool to emboss pillar candles with spooky images. Tickets are distributed from the Hive Service Desk on a first come, first served basis beginning 30 minutes before the class start time. Ten candles will be provided. Others may bring their own candles to decorate as supplies last.

### DIY SHADOWBOXES

Saturday, November 10, 2:00-4:00 p.m.

Make your own shadowbox with artwork cut on the Laser and given dimension with cardstock, chipboard, and lighting. Create your own art on the day of the class or use our provided images. Tickets are distributed from the Hive Service Desk on a first come, first served basis 30 minutes prior to the class start time.
